

SVIMS speakers (earlier ones gleaned from the pages of Fungifamas)

2022	january	Gordon Walker	Fascinated by Fungi: Culinary Uses and preservation-Demo
2021	february	Paul Kroeger	The Amanita genus in British Columbia
2021	march	Jeff Chilton	Medicinal Mushroom Cultivation in China
2021	april	Cara Gibson	Millions of Miniature Marriages: Candid Tales of Insect-Fungal Unions
2021	may	Lawrence Millman	The Psychro Ward: Fungi in the Cold
2021	september	Andy MacKinnon and Kem Luther	Mushrooms of British Columbia: Introduction to their new book
2021	october	Michael Hathaway	Thinking with Fungi!
2021	november	Scott Redhead	Magic Mushroom Therapy: History and Rediscovery
2021	december	Michael Beug	Identify the Unusual Mushrooms of Cascadia: His New Book and Key
2020	february	Joey Tanney	Portraits of endophytes
2020	march	Britt Bunyard	From Lowly Saprobe to Mycorrhizal Masters: Amanitas
2020	april	Cancelled: COVID	
2020	may	Cancelled: COVID	
2020	september	Andy MacKinnon	Magic Mushrooms in BC (Zoom meeting)
2020	october	Joey Tanney	Household hyphae (Zoom meeting)
2020	november	Lorelei Norvell	Phaeocollybias (Zoom meeting)
2020	december	Ann Harmer	Fungi and Fabric Dyeing
2019	february	Paul Kroeger	Biology and Mycology of Meager Creek Hotsprings
2019	march	Thomas Maler, David Walde	Shrooming with Kitsumkalum kids, Shiitake rash
2019	april	Adolf Ceska	Dung Mushrooms
2019	may	Yonathan Uriel	Ants and fungi
2019		Juliet Pendray	Lichen Partnerships Learning Lichens
2019		Jean Bérubé	Molecular detection of macrofungi
2019		Sharmin Gamiet	Macrofungi of the Northwest Territories
2019		Shannon Berch	Garry Oak Mycorrhizal Partners
2018	february	Paul Kroeger	Mushrooms and people
2018	march	Bill Jones	A fascinating tour of the International Mycology Congress in Soria, Spain
2018	april	Anna Bazzicalupo	Benjamin Woo's Russula herbarium: How herbarium collections contribute to science
2018	may	Hugues Massicotte	From mycoheterotrophy to medical myco-prospecting
2018	september	Oluna & Adolf Ceska	Update of the long-term mycological survey of Observatory Hill
2018	october	Daniel Winkler	Best of mushrooming
2018	november	Denis Benjamin	Mushroom mischief 2018: An expanding spectrum
2018	december	Emma Harrower	Wet and wild: theories about evolution of truffle-like fungi
2017	february	Paul Kroeger	An introduction to some commonly encountered Cup fungi, Morels and False morels and their kin
2017	march	Danny Miller	Mushroom mythbusters, or "fungal fables debunked"
2017	april	Bryce Kendrick	Counting fungi: mass extraction and sequencing of fungal DNA
2017	may	Andy MacKinnon/Kem Luther	Mushroom movie night 2
2017	september	Shannon Berch	Introduction to mushroom ID
2017	october	Kent Brothers	Spine fungi
2017	november	Roo Vandegrift	Xylarias
2017	december	Dave Fenster	Mycological movies and fungus films
2016	february	Paul Kroeger/Robert Rogers	Fungi: A world of wonder beneath your feet/ Twenty-one myths of medicinal mushrooms
2016	march	Ludovic Le Renard	Fossil fungi? How better to peer into the evolutionary history of our favourite group of organisms?
2016	april	Jacklyn Dee	Body Building with the Fungi: Insights into the Evolution of Filamentous Growth from the Chytrids
2016	may	Matteo Garbelotto	Discovery, description and sequencing of the "entire" fungal community of Moorea (French Polynesia), with an emphasis on macrofungi.
2016	september	Fred Rhoades	Some common things about unusual mushrooms and some unusual things about common mushrooms
2016	october	Noah Siegel	Under Pressure; Evolution Oddities in the Fungal World
2016	november	Britt Bunyard	Diptera Strangelove: Or, How the fly learned to stop worrying about amatoxins and love the death cap.
2016	december	Marty Kranabetter	The hidden reef: ruminations on the scarcely noticed yet spectacular symbiotic fungi of coniferous forests.
2015	february	Paul Kroeger	Vancouver's death cap survey
2015	march	Richard Winder/Shannon Berch	Mycological adventures in South Korea Ectomycorrhizal fungi in mitigating and adapting forests to climate change
2015	april	Marty Kranabetter	Mushroom movie night
2015	may	Andy MacKinnon/Kem Luther	Cannibals
2015	september	Bryce Kendrick	Edible mushrooms
2015	october	Bill Jones	Cultivating mushrooms
2015	november	Scott Henderson	Without a specimen, it's only a rumour
2015	december	Brenda Callan	
2014	february	Paul Kroeger	Non-timber forest product mushrooms
2014	march	Brenda Callan	A quartet of mycological mavens
2014	april	Thom O'Dell	The hype and hope of mycoremediation
2014	may	Lawrence Millman	The non-culinary uses of fungi by northern first nations people
2014	september	Shannon Berch	The basic of mushroom identification
2014	october	Andy MacKinnon	Native trees and their associated mushrooms
2014	november	Britt Bunyard	All is not what it may seem
2014	december	Andrew C. Wylie	Mushroom spawn and plant pathogens

2013 february	Paul Kroeger	Darwin's elves
2013 march	Marty Kranabetter	Ectomycorrhizal fungal conservation and forest management
2013 april	Will Hintz	Dutch Elm disease
2013 may	Denis Benjamin	Mushrooms as aphrodisiacs
2013 september	Daniel Winkler	Choice Edible Mushrooms of the West Coast
2013 october	Bart Buyck	Russulal
2013 november	Britt Bunyard	Huitlacoche, other smuts and rusts
2013 december	Juliet Pendray and James Holkko	Photographic tour of the BC Coast, including mushrooms
2012 february	Paul Kroeger	Mushrooms are way cool because...
2012 march		
2012 april	Efren Cazares	Ramaria in the Pacific Northwest forests
2012 may	Duane Sept	Mushroom photography
2012 september	Andy MacKinnon/Shannon Berch	Radical mycology conference; North African desert truffles
2012 october	Dan Luoma/Joyce Eberhart	Hypogeous fungi
2012 november	Britt Bunyard	Aflatoxins to Zombies
2012 december	Bryce Kendrick	Fungi: Now you see them, now you don't
2011 february	Paul Kroeger	Magic mushrooms
2011 march		
2011 april	Robert Rogers	Medicinal mushrooms
2011 may	Mary Berbee	DNA sequence barcoding
2011 september		
2011 october		
2011 november	Kem Luther	Second spring
2011 december		
2010 february	Paul Kroeger	Mushrooms of Haida Gwaii, A to X
2010 march		
2010 april		
2010 may	James Nowak	Small scale mushroom cultivation in an urban environment
2010 september	Andy MacKinnon	Mycoheterotrophs
2010 october	Richard Winder	Medicinal mushrooms
2010 november		
2010 december		
2009 february	Paul Kroeger	
2009 march	Mary Berbee	Establishing the baseline for fungal diversity in British Columbia
2009 april		
2009 may	Duane Sept	Adventures in producing a mushroom book
2009 september	John Dennis/Renata	
2009 october	Outerbridge	Mushrooming in Poland
2009 november	Oluna Ceska	The miniature beauty of mushroom microscopy
2009 december	Jean Johnson/Mabel Jean Rawlins	Far away mushrooms
2008 february	Paul Kroeger	How Tricholoma apium saved Mount Elphinstone
2008 march	Lorelei Norvell	
2008 april	Daniel Winkler	Tibetan mycology
2008 may	Adolf/Oluna Ceska	Four years of mushroom surveys on Observatory Hill
2008 september		
2008 october		
2008 november	Rich Mably	Mushroom basics
2008 december		Mushroom photography
2007 february	Paul Kroeger	
2007 march	Adolf/Oluna Ceska	David Arora foray
2007 april		President's research project?
2007 may		
2007 september		
2007 october		
2007 november	Thom O'Dell	Fungi of Olympic peninsula
2007 december		
2006 february	Paul Kroeger	Mushrooms of Haida Gwaii
2006 march	Mike Beug	Toxicology of Fungi
2006 april	Mary-Lou Florian	Slime! Mushrooms have it too
2006 may	Shannon Berch	Truffling in Spain
2006 september	John Dennis	Introduction to fall mushrooms
2006 october	Jean Johnson	Mushrooms of the Amazon jungle
2006 november	DVD	Mushroom identification by Taylor Lockwood
2006 december		
2005 february	Adolf Ceska	Mushroom medley
2005 march	Paul Kroeger	Mushrooms as medicine
2005 april	Christine Roberts	Russulas of Southern Vancouver Island
2005 may	Richard Winder	Morel ecology
2005 september		
2005 october		
2005 november		
2005 december		
2004 february	Paul Kroeger	
2004 march	Ian Gibson	MatchMaker
2004 april	Jim Ginns	
2004 may	Ceskas, Shannon Berch	Forest habitat and mushrooms
2004 september	Tyson Ehlers?	Pines and non-timber forest products
2004 october	Jim Jones?	Bamfield mushrooms
2004 november		
2004 december		

2003	february	Richard Winder	Morels
2003	march	Paul Kroeger	
2003	april	Group	Mushroom identification
2003	may		
2003	september	Christine Roberts	Mushrooms of Clayoquot Sound
2003	october	John Dennis	Common edible fall mushrooms
2003	november	David Largent	Genus Entoloma in California and Washington
2003	december		
2002	february	Paul Kroeger	The spring mushroom season
2002	march	Swann Gardner	The Cultivated Forest Coop of Denman Island
2002	april	Christine Roberts	Mushroom illustration
2002	may	Fred Rhoades	Introduction to mushroom ecology
2002	september	John Dennis	Growing oyster mushrooms
2002	october	Jean Johnson	Mushrooms down under
2002	november	NAMA Video	Mushroom scents
2002	december		No meeting
2001	february	Paul Kroeger	Common edible mushrooms
2001	march	Bryce Kendrick	Lichens: life on the rocks
2001	april	Richard Winder	Mushroom Research at Liard Hot Springs Provincial Park
2001	may		
2001	june	John Dennis	Mushroom toxins
2001	september	Renata Outerbridge	Mushroom cooking
2001	october	Taylor Lockwood	(meeting shifted to second Thursday)
2001	november	Sharmin Gamiet	Mushrooms of Greater Vancouver
2001	december		
2000	february		
2000	march		
2000	april		
2000	may		
2000	september		
2000	october	Bob Bandoni	Jelly yeasts
2000	november	Group	Mushroom madness
2000	december		
1999	february		
1999	march		
1999	april		
1999	may		
1999	september		
1999	october		
1999	november		
1999	december		
1998	february		
1998	march		
1998	april		
1998	may	Group	Mushroom mania
1998	september		
1998	october		
1998	november		
1998	december		
1997	february	Paul Kroeger	Medley of mushroom madness
1997	march		
1997	april		
1997	may		
1997	june	Group	Mushroom mania
1997	september	NAMA slide program	Major mushroom groups
1997	october	Nancy Smith Weber	
1997	november	Bryce Kendrick	What is biodiversity about?
1997	december		
1996	february		
1996	march		
1996	april		
1996	may		
1996	september	Search and Rescue	
1996	october	Group	Mushroom mania
1996	november	Bryce Kendrick	
1996	december		
1995	february	Paul Kroeger	Mushroom poisons
1995	march	Scott Redhead	Commercial mushroom harvesters in the Pacific NW and in Northern Québec.
1995	april	Group	Mushroom mania
1995	may	Brenda Callan	What's in a (mushroom) name?
1995	june	Group	Mushroom mania
1995	september	Ted Underhill	
1995	october	Adolf Ceska	Video of SVIMS events
1995	november	Shannon Berch	Forest fungi
1995	december		No meeting
1994	february	Paul Kroeger	What it's like to belong to a mycological society
1994	march	Scott Redhead	Mushrooms of the Pacific Northwest
1994	april	Carol Harding, Christen Geall, Victor Benek, Shannon Berch, Henrik Jacobsen, Brenda Callan, Joe Schoelzel, Lynn Solomon	Variety of topics
1994	may		
1994	september	Nellie DeGeus	Proposed regulations for wild mushroom harvesting
1994	october	Group	Workshop on use of keys
1994	november		
1994	december
